

MY PROCEDURE IS INCORRECT.

If the upcoming procedure listed in your appointment chart does not match the referral from your doctor this may be due to a simple difference in naming conventions. If you have concerns that you may be scheduled for the wrong procedure, please [call the center](#) where you are scheduled and ask to speak with a scheduling associate.

THE APPOINTMENT PACKET MAP IS INCORRECT.

This site uses Google Maps. Please follow this link to put in a ticket with Google: <http://maps.google.com/support/bin/answer.py?hl=en&answer=98014&ctx=contactpolicy>

I DON'T SEE THE APPOINTMENT I NEED IN REQUEST AN APPOINTMENT.

If you have a doctor's referral for a different exam, please [call the center](#) where you would like to be scheduled and ask to speak with the scheduling department.
